Abstract

This document is the report on our meeting on 21st October 2022.

Goal

The following is the goal for this meeting :

1. Work on Storyboard version 2.

2. Discuss our group situations.

3. Submit Gitstats

Goal 1 : Work on Storyboard version 2.

We got this worked on class and have the majority of concepts understood. We would later look for refinements on it.

Status of Goal : **Achieved.**

Goal 2 : Discuss our group situations.

There were some confusion as to the requirement of this project. This becomes concerning since we are expected to be into coding phase yet no precise agreement has been reached yet. But on this meeting, we kept each other informed. Now waiting for feedback from instructor.

Status of Goal : **Achieved.**

Goal 3 : Submit on Gitstats.

Still working in progress.
  Status of Goal : **Not Achieved.**

Next Meeting

The next team meeting will be on : TBC.
It is expected that by the next meeting we have the following :

- A step up on understanding the requirement.

- News from our instrcutor.

- A plan on what to do next.
